DECISION ON REQUEST

Serial No.:

09/825,537

UNDER 37 CFR 5.25

Filing date:

02 April 2001

Docket No:

ODS/025

Title: SYSTEMS AND METHODS FOR PLACING PARIMUTUEL WAGERS ON FUTURE

EVENTS

In view of the communication(s) filed 04 September 2002, it has been determined that a retroactive license for foreign filing under 35 U.S.C. 184 be granted with respect to the filings listed below. The petition complies with 37 C.F.R. 5.25 in that there is an adequate showing that the subject matter in question was not under secrecy order, that the license was diligently sought after discovery of the proscribed foreign filing, and that the material was filed abroad without the required license under 37 C.F.R. 5.11 first having been obtained through error and without deceptive intent.

Approved

for Commissioner of Patents and Trademar

This license empowers the filing, the causation and the authorization of the filing of a foreign application or applications on the subject matter identified above, subsequent forwarding of all duplicate and formal papers and the prosecution of such aplication or applications.

This license is granted under 37 CFR 5.15(a).

This license is to be retained by the licensee and may be used at anytime on or after the date thereof. This license is not retroactive unless specifically indicated.

The grant of this license does not in any way lesson the responsibility of the licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations, especially with respect to certain countries, of other agencies, particularly the Department of the Treasury; Office of Munitions Control, Department of State (with respect to Arms, Munitions and Implements of War), the Bureau of Trade Regulation, Office of Export Adminstration, Department of Commerce; and the Department of Energy.
